

## **From train station BRUSSELS SOUTH**

### **By metro and bus De Lijn 127/128/129 (total: 35 minuten)**

Take the STIB metro line 2 or 6 towards Koning Boudewijn and leave the metro, when arriving at the West Station (3 stops, 5 min).

Leave the subway station and take bus 127 or 128 direction Ninove or 129 direction Ninove Dilbeek. Each one will stop at 'Dilbeek Tourelle' (6 stops, 10 minutes).

The stop Dilbeek Tourelle is located on the Ninoofsesteenweg. You walk back to the crossing you just passed by bus. Ninoofsesteenweg crosses on the left with the Serenadestraat. Go into Serenadestraat until the next intersection. Follow the gentle bend to the left. You are now on the Moortebeekstraat. After some time you reach a roundabout. There you go straight ahead (2nd exit) into the Eikelenbergstraat. At the right side you will see the building (number 20). Our office is in the left wing of the building.
