

From train station BRUSSELS NORTH

By bus De Lijn 127/128/129 (total: 45 minutes)

Take bus 127 or 128 towards Ninove or the 129 towards Dilbeek. Each one of them will stop at 'Dilbeek Tourelle' (17 stops, 29 minutes).

The stop Dilbeek Tourelle is located on the Ninoofsesteenweg. You walk back to the crossing you just passed by bus. Ninoofsesteenweg crosses on the left with the Serenadestraat. Go into the Serenadestraat until the next intersection. Follow the gentle bend to the left. You are now walking through the Moortebeekstraat. After some time you reach a roundabout. There you go straight ahead (2nd exit) into the Eikelenbergstraat. At the right side you will see the building (number 20). Our office is in the left wing of the building.
